Dear Parents,

JUNIOR SPORTS ACADEMY (JSA) SELECTION TRIAL 2026

1. MOE will be conducting the JSA Selection Trial for interested Primary 4 and Primary 5 students for the Junior Sports Academy (JSA) in March 2026. Schools will be nominating suitable students for the selection trial.

However, if you wish to nominate your child for the selection trial, you may also do so by completing the Parents Gateway Form by **13 February 2026, Friday**. Do note that there will not be any acknowledgement/confirmation email or message sent to parents after the submission of the completed form.

2. The aim of the JSA programme is for students to explore, discover and develop their areas of interest and strengths across a wide range of physical activities. JSA seeks to provide broad-based opportunities with the following objectives:
 - a) Budding sporting talents will be identified and developed through a broad-based physical sports programme, to strengthen their overall physical competencies and motivation in sports at the primary school level.
 - b) These students will explore and discover their strength and passion in a range of sports at the primary school level, so as to be able to make an informed choice to commit to one of these sports and receive more targeted support from schools at the secondary school level.
3. The JSA Selection Trial will evaluate your child's general physical ability; mainly your child's natural ability of agility, balance, coordination, speed and power. There will not be any test on sport-specific skills. Therefore, no training or preparation is needed for the selection trial. Sufficient time will be given during the trial for students to familiarise themselves with the selection trial items.
4. Based on the results of the JSA Selection Trial, selected students and their parents will be informed (mid-May) and invited to a Parents Engagement Session to understand more about the programme. Students who eventually opt-in to participate in the JSA programme will start in Term 3, 2026. Details of the programme based on your child's school level at the point of entry is as shown below. For more information on the JSA programme, please visit <https://go.gov.sg/moe-jsa>.

Level	Programme and Duration	Total Number of Sport Modules
