This year's theme, "Majulah Singapura," reflects our nation's enduring spirit and aspirations. As we commemorate 60 years of independence, the theme invites all Singaporeans to reflect on our shared achievements and to face future challenges with optimism and resilience. Inspired by our National Anthem, it also highlights the values of trust, inclusivity, and mutual support, encouraging everyone to play a part in shaping Singapore's continued growth and success.

As part of the celebrations, the school has planned a range of engaging activities during the National Day Recess Interlude on 6 and 7 August 2025. These activities aim to foster a sense of national pride and community spirit among our students. One of the highlights will be a special Military Dog Show on 7 August 2025, in collaboration with Tengah Air Base, where trained military dogs will demonstrate their bomb-detection abilities. A photo-taking session will be available at the end of the show for those who are interested.

Please be assured that students' safety is our top priority. Students will not have direct contact with the dogs during the performance. Participation in this activity is completely optional. If you are uncomfortable with your child participating in this activity, please advise them to refrain from watching the performance.

Thank you for your support in making this celebration meaningful for our students.

Yours sincerely,  
Mrs Christina Tan-Lim Lay Leng  
Principal
