Our Ref: JWPS/2025/074

Date: 28 August 2025

Through the Principal,

Dear Parents/Guardians of P2 students,

**Re: Mathematics Parents Engagement Session for P2 Parents**

To support your child at home in Mathematics, our department will be organising a Parents Engagement Session with video recordings sent to your child's SLS (Student Learning Space) on 29 August 2025.

You can access these recordings by logging into your child's SLS account from 9 a.m. onwards on 29 August 2025. These recordings will be made available until 29 October 2025.

The objectives of the engagement session are:

- To create an awareness of the expectations for Primary 2 Mathematics
- To equip you with the necessary arithmetic skills in coaching your child/ward at home

The topics that will be covered are:

- Use Model Drawing as a tool for solving Addition and Subtraction problems
- Comparing Fractions
- Tips for Parents

We value your understanding and support of the school's Mathematics Department's initiative. Your partnership will make a great difference in your child's/ward's Mathematical learning experience.

Thank you.

Yours sincerely,  
Mdm Radin Anita  
Head of Department (Mathematics)
