As part of our school's commitment to building a sustainable Singapore and nurturing our students to be responsible environmental stewards, the school is organising a **VIA Collection Drive** to promote recycling and environmental responsibility. Students are encouraged to bring recyclable items such as **old newspapers, magazines, unwanted storybooks, carton boxes and old clothes**.
2. The objectives of this VIA activity are to:
 - a. encourage recycling and reduce waste and
 - b. develop responsibility in caring for our environment and school community.
3. Students are encouraged to contribute recyclable items as frequently as possible throughout the collection period, starting from Semester 2.
